# Year 2

## Class Page

### English

This half term our text is Sharing a Shell by Julia Donaldson

Over the half term we will be retelling the story, predicting what will happen and describing characters .

We will also be learning lots about grammar and will be trying very hard to form all our letters correctly when we write.

### Maths

During our maths lessons we will be learning about place value up to 100. We will be counting in tens and ones, will partition numbers in different ways and recognise the value of each digit. We will also practise adding and subtracting.

### Science

Our topic is Everyday Materials. We will investigate what objects are made from and are used for. We will describe properties of materials using scientific language. We will investigate the suitability of different materials for different tasks.

### Topic (Theme or unit linked to History/Geography)

We are learning about Our Local Park as our Geography work. We will investigate what there is in the park and compare it to others. We will look at a variety of maps of our local area, including aerial photographs and will draw our own maps. We will also revise the countries of The UK and the seven continents of the world.

Best of all, we will visit our local park!

### Important information

#### PE Dates and kit reminder

### Dates for you diary:

Don't forget the MacMillan Coffee Morning on Friday September 27th and watch out for the Pumpkin Trail! Remember to check Dojo for any other events we may have. In school and in Year 2.

We have had extra playtime when we reached 250 Dojos, time in the forest for 500 Dojos and will have an even bigger treat for 750 and 1000 Dojos—we're nearly there already!

Please feel free to contact me via Dojo message if you want to discuss anything.
