

Year 3

Teacher: Mrs Whitmore/Mrs Stowell

Supporting staff: Mrs Tidswell

# Year 3

## Class Page

### English

This half term our text is 'The Tales of Peter Rabbit' where we will be concentrating on character and setting descriptions.

Over the half term we will also be focusing on punctuation, grammar, spellings and handwriting

Spellings will be sent home every Friday and children need to practise these at home please.

Reading books are also sent home and it would be great if you can hear your children read. If you can sign the reading record each time they read to you, dojos will then be added. Reading books need to be in school everyday.

### Maths

During our Maths lessons we will be looking at place value up to 1000, addition and subtraction of 2 and 3 digit numbers.

All children should now have a sign on for TTRockstars and we would ask you to encourage your children to use this to practise their times tables. Please let me know if you have not received this.

### Science

Year 3 children are learning about Forces this half term. They will be conducting experiments around friction and magnetic forces.

### Topic (Theme or unit linked to History/Geography)

Year 3's topic is based around Geography this half term and in particular 'Population and Settlements'. They are using maps to look at the local area of Bradford. They will be comparing the size of settlements and how they are categorised e.g. population, number of buildings, etc

### Important information

Drumming — Monday

PE - Tuesday

### Dates for you diary:

See Class Dojo for updates of our half termly events

\*\*Don't miss the Pumpkin Trail on the 17th October
