

Year 6

Teacher: Mr Bellas

Supporting staff: Mrs Connor

Year 6

Class Page

English

This half term our text is Goodnight Mister Tom.

Over the half term we will be writing setting descriptions, informal letters and a diary as well as learning how to make our writing exciting for the reader. In order to write at our best, we will also be completing drama workshops to explore the text further and try to get a sense of what an evacuee in World War 2 might have been thinking and feeling.

We will also be increasing our reading fluency and comprehension daily.

Maths

During our maths lessons we will be exploring Place Value, Addition, Subtraction, Multiplication and Division. We will be continuing to develop our factual knowledge multiplicative facts through TT Rockstars and beginning to explore how to solve a range of mathematical puzzles.

Science

This half term we are learning all about the Circulatory System as part of our study of Animals Including Humans. We will explore what the different parts of the human anatomy are and look at the role of each of the different parts of the system.

Topic

This half term is all about World War 2. We will explore that causes and consequences of the war and look in depth at specific events such as evacuation, The Blitz and The Battle of Britain.
