HOMEWORK MENU

YEAR 4 AUTUMN 2

STARTER Each week, I **must**…

- Practise my spellings ready for the test on Friday
- Practise my times tables on TTRockstars
- Read my reading book and have my reading record signed (3x weekly)

MAIN COURSE It would be great if I **could**…

- Research the Ancient Egyptians and either:
  - Invent your own riddle that the Sphinx may ask travellers. Decorate this with an Egyptian-themed boarder and challenge classmates to solve it.
  - Write a diary entry from Marcy's point of view after meeting the Sphinx. Include her thoughts, feelings and descriptions of what she saw.
  - Research hieroglyphics and write your name in the symbols or create a secret message to decode.

DESSERT Projects I can do with my **family or independently…**

- Make a model of an Egyptian object using recycled objects, such as a pyramid, a mummy or a sphinx.
- Create a pyramid using objects such as, sugar cubes, Lego, straws, cardboard or plastic cups, ask an adult to send it to me on dojo to show the class.
- Create a song, rap or poem that teaches people about life in Ancient Egypt.
