Working together to achieve excellence

## SEND Newsletter Autumn 1 2024

Welcome back, I hope you have had a lovely summer break. I am Mrs Whitmore, the Deputy Head and SENCo at Shirley Manor. I hold the SENCo qualification and have been doing the role for 8 years.

If you have any concerns regarding your child's educational needs please speak to the class teacher in the first instance or make an appointment to speak to them with them and myself.

The National Deaf Children's Society is there for every deaf child who needs them – no matter what their level or type of deafness or how they communicate.

### CAMHS (Child and Adolescent Mental Health)

CAMHS supports children and young people from pre-school years up to 16 years of age, (or up to 18 years of age if still in school) where there are severe and long standing concerns about emotional well-being and behaviours. CAMHS provides ongoing support groups and parenting programmes.

Referrals to CAMHS can be made by health professionals, school nurses and health visitors as well as school. Please dojo Mrs Whitmore for details.
